

South Shore Area Ambulance Meeting Minutes

September 9, 2024, 2024 6:36

In attendance-Stacy, Laurie, Jeff, Jon, Marcia, Frank, Tam,

Approval of Minutes: July Minutes Motion by, Laurie 2nd by Marcia all in Favor,

Reports

Secretary/Treasurer Report- Checkbook balance as of 8/31/2024 is **\$5,135.22**, Motion by Laurie, 2nd by Tam, all in Favor.

Ambulance Maintenance- Anti-freeze leak. If Jeff is not around to put gas in the rig reach out to the town employees.

Communications- Discussion on radio batteries. Consolidation between the 2 counties is progressing, they are just running into issues. Make sure to use South Shore EMS 81 enroute when rig leaves. The dispatch over this past weekend was fantastic.

Hall Maintenance- Nothing

BAC-EMS- Don K basic attitude is they were having issues renewing license, and it appears to be fixed (For National Registry). State funding was also discussed. New Representative from Tamarack Health, Lance Ritola. Still waiting on Mutual Aid agreements. CESA 12 had a representative there about the youth apprenticeship program. Discussed EMS Press Release (article in Bottom Line, it was very nasty regarding adding hours to become an emt). Annual dinner. September 22, 2024. Survey presentation.

Procurement- Update to date on meds. New test strips on board. New penlights.

Quality Assurance- Reports were better. Document who put/did what.

Training Report- Oct 12, 2024, South Shore Fire Association time 8-12.

Director- Really short on ambulance checks. If you have some left to do this year, get them done. There was a patient unattended for a long time due to the rig already being on a call. Dispatch called in general and said there was another run. We want the tones set off to have other EMT's respond while the other department responds. Also set off the appropriate fire department. Remind homeowners to clear their Address signs.

Old Business- Bake Sale went great. ECG time.

New Business- None

Call Reviews- None

Adjourned, motion by Marcia 2nd by Laurie all in favor, Submitted by Stacy Danula
